

La Salle Academy  
Summer 2020 Reading and Math  
Incoming 4th Graders

**Summer Math:**

\*June 22nd-August 21st

-Simple Solutions: Lesson #80-110

-Complete 3-4 lessons per week from your Simple Solutions workbook.

-**I will check lessons #80-110 when we return in the Fall** (I do encourage you to utilize the remainder of the Simple Solutions workbook and Progress in Math workbook you have for extra practice).

-Please continue to drill memorization of the multiplication and division math facts.

-Your First in Math subscription does not expire until July 31st.

-VIF=Very Important Facts is a great resource for practicing fact recall.

\*The recommendation is to practice math 20-30 minutes each day.

**Summer Reading:**

\*June 22nd-August 21st

**Book: The Chocolate Touch** by Patrick Skene Catling

-You will answer the questions below after logging into and joining the "4th Grade Summer Reading" Google Classroom. You may edit the word documents directly.

-Answer each numbered question in five sentences (minimum) for a total of TEN sentences (minimum) for both questions below:

1. Describe the main character in this chapter book and describe the part where "the touch" becomes his problem.
2. How does John Midas resolve his problem? What life lesson does he learn?

-Continue reading for enjoyment like I saw so many of you do in school 😊

\*Following books are read in class during the 4th grade school year: *Tales of the Fourth Grade Nothing* and *Because of Winn Dixie*. Please do not read these during the summer as we will be reading these together. Much thanks!

-Please continue to utilize the Lexia website to practice reading skills.

-Your Lexia subscription does not expire until July 31st.

\*The recommendation is to practice reading 20-30 minutes each day

\*I check my email often in case you have any questions: [schlegel@lsabear.com](mailto:schlegel@lsabear.com)
